Hey guys, nice to meet you!

4. Featured Story: Village Street City Hotel

May 10, 1994

Well, you're newly retired? It's not often you see a new guy in here.

B. Anthony Harris, Kenneth L. Leding, J. Borsellino

Is this your first thrust?

I don't recall seeing that world
name before.

© 2000 Blackwell Science Ltd *Journal of Internal Medicine* 247: 115–122

Ah,
I tried
making a
thread
before.

7. Retired hero: White Cat (Colorful Animal Kingdom)

If you're in the retired board,
you must have completed
your trial, why don't you tell
us about it? Meow.

8. Retired hero: Empress (Lotus Dragon)

What a strange title, a heart-pounder!
I mean a heart-breaking adventure,
please tell us about it.

9. Retired hero: Student (Global stage)

Student descends to this thread!
Hi, welcome!

I could
see the
board,
but I
couldn't
post

the
world I got
summarized
to is a
little odd.

but

But
still

and they
were really
perplexed
by me being
a hero,

I talked
to the
union
about it,

in any
case, I'm
considered a
hero now, so
it's fine.

Greetings!
It's an
honor to
meet you!

Wow!
A real
empress!
The
empress
of Lotus
Origin!

3. Beloved hero: Student? (Lotus Origin)

What about everyone's
beloved Student?

3. Beloved hero: Empress

Oh, you have a discerning
eye, boy.
I'm pleased to meet you.

4. Beloved hero: White Cat

You weren't able to go?
How did that happen?

4. Beloved hero: Village Chief

First time I've heard of this
happening. Was this your first time
being a hero?

5. Beloved hero: Knight Leader (Roseland)

First time...

Well, I suppose there are precedents for
heroes going on a quest a second
and even third time...

It
was a
painful
experience

It
was
my
first
time!

23. Retired hero: White Cat

What sort of threads did you read? Meow.

Well...

I was only able to go on because I could read the boards!

"Hero coordination board"
"You're not alone! Active hero assistance thread"
"Hero coordination board"
"How to deal with critical situations"
"Hero coordination board"
"Useful information for traveling"
"Active hero board"
"Share your painful experiences"
"Retired hero board"
"Info for helping the active heroes!"

Those sort of threads

23. Retired hero: Empress

Wise choices.

24. Retired hero: Village Chief

Well, they'll certainly help you cope with the journey
And they'll even help in other ways

Oh,
and

Those
sort of
threads...

Let us hear that! What your threads please has said today
What we hear! Adorable clumsy magicians go!
What we hear! Thank you for these marvelous knowledge!
What we hear! I love the guy with beautiful
What we hear! Come like friends with beautiful
What we hear! Come like friends with beautiful

26 Retired hero: White Cat

Oh my

27 Retired hero: Student

lol Hunter

Thank
you for
your
kind
words!

28 Retired hero: Emperor

You honestly admitted it.
A splendid example of a
young man.

Isn't
it fine
that I
found
someone
to hate!

Isn't
it fine
that I
found
something
soothing?

It was
really
rough!

29 Retired hero: Village Chief

Well said! lol
I know the feeling!

I went into the forest with my bow and traps,

I set off to go hunting as I do every morning,

and I suddenly fell down a hole...

03 Retired hero: Knight Leader
So, what was heart-breaking about this adventure?
How hard was it?

Ah, right,

so,

true to my name, I'm a hunter,

It was really impressive...

What was it called...

I was inside a splendid stone...

When I came to,

04 Retired hero: Villain Chief

Well, we've learned that your vocabulary is lacking. lol

Ah, of course! My apologies, Empress!

05 Retired hero: Empress

Brilliant, elegant, gaudy, luxurious, magnificent, there's plenty more words, but don't worry too much about it.

the
"brilliant,
elegant,
gaudy,
luxurious,
magnificent"
king
sat down!

The King

Then

inside this
"brilliant,
elegant, gaudy,
luxurious,
magnificent"
castle, I found
myself meeting
the king himself!

SS Retired hero, White Cat

Moore...

SS Retired hero, Knight Leader

Hunter...

No, never mind...

"Save
the world
from the
demon
lord!"

"I'm
glad to
see you,
hero!"

Then

came what
I promised
you guys

The
conversation
went like
that.

SS Retired hero, Student (Grown state)

Ah...

SS Retired hero, Princess

Good grief, it's the standard
speech for summoned heroes,
read straight from the script.

For starters,
I decided to
ask the king
what was
going on.

at the
time, my
head was
blank.

I only
learned of
it after
visiting the
board,

72 Retired hero: Knight Leader

As confused as you may have been,
you should have show the king
more respect.

Though I'm sorry to say it,
this was a bit amusing.

73 Retired hero: Empress

I suppose not all summons
go smoothly.

"You will
need this
holy sword
to
vanquish
the demon
lord!"

He just
ignored
me.

74 Retired hero: Village Chief

Going at this pace,
at what point do you start
breaking down?

and I tried
asking him
again about
what's going
on.

I
continued the
conversation,
explaining that
as a hunter my
strength lies
more in
archery.

Ah,
right,
it'll be
real
soon!

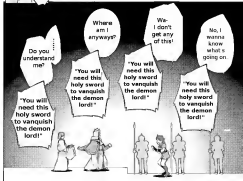

75 Retired hero: Student

What a
statement lol

Student

95 Retired hero, Student

I got it!
I've got it!
Hehe!

I wanted
to cry

97 Retired hero, Knight Leader

What is it, Student?
Is there something
special in that world?

98 Retired hero, Student

You guys were mean to me,
so I'm not telling!

No image

"Darkness
Quest" had
glitched out
and
somehow
summoned
me.

An old
game in the
Earth series
worlds.

But I did
get
contacted
by the
union.

103 Retired hero, Engineer

What happened then?
Was the rest of the world
also affected?

100 Retired hero, Student

Ah! You told them!

No image

101 Retired hero, Village Chief

A game
What is that?

102 Retired hero, Knight Leader

It's an toy that the Earth
series worlds create with
their technology

100 Retired hero: White Cat
just imagining it is scary...

102 Retired hero: Village Chief
That's harsh.
Was there no one you could
converse with?
Perhaps a party member?

I concluded
that after 50
attempts

It was
driving
me mad!

"Would
you like to
spend the
night here?
It'll cost 100
Eso."

The man
at the inn
kept saying

I was able
to converse
with them
during
something
called
"events"

I met
three
along the
way.

"Oh, that sounds fun, let's hurry up!"

"I heard that a dragon's treasure is hidden there."

"Our next destination is Nona village."

Hey, guys...

But when we were traversing the "map" thing, it was the usual!

"Oh, that sounds fun, let's hurry up!"

"I heard that a dragon's treasure is hidden there."

"Our next destination is Nona village."

Right, by the way...

I was just about to reach the end!

Thank you so much!

11.6 Retired hero: Knight Tower

Comrades are supposed to be more...

11.7 Retired hero: White Cat

More...

11.8 Retired hero: Student

Well no wonder seeing the board became your only source of solution.

11.9 Retired hero: Village Chief

Student, quit making light of that Hunter. It's only reasonable to cry after all this

100 times,
I just beat
him up!

After the
demon lord
said
"Hahaha...
You've done
well to come
this far!"

124 Retired hero: Student

Did you check your
stats?

Yeah!
By the time I
reached the
demon lord,
I was
level 99!

my level
was really
high!

Since I was
taking out my
frustration on
the monsters
I encountered
along the way,

Wh-
Hazed!

125 Retired hero: Knight Leader

That sounds really tough...
And you were summoned
because of a bug?

After
beating the
demon lord,
I was
allowed to
return home!

The
union
dealt
with that!

Yes!

131 Retired hero: Student

The forced return technique, huh?
Would've been nice to return sooner...

No image

132 Retired hero: Knight Leader

Indeed, seeing as the
summoning itself was a bug

133 Retired hero: Village Chief

Still, it's good that you
managed to return!

134 Retired hero: Empress

Hunter, you've
overcome these
hardships, take
your time and
rest now.

Thank
you,
everyone!

Of
course!

It's
rank SS
now!

Yes!
Sword
Master!

136 Retired hero: Student

You maxed that as well! lol

135 Retired hero: Student

By the way, Hunter, you
use a bow, but what's your
level with the sword?

No image

Ah,
